For Illinois residents who fly domestically, effective Oct. 1, 2020, the federal government will require you to use a valid U.S. passport or obtain a REAL ID from the Illinois Secretary of State’s office. Not every person needs a REAL ID card, which is why we offer you a choice. You decide if you need a REAL ID or standard DL/ID.

The application process for a REAL ID-compliant DL/ID requires enhanced security measures that meet mandated federal guidelines, even if you already have a standard DL/ID. As a result, you must provide documentation confirming your identity, Social Security number, residency and signature.

If you want to apply for a REAL ID, please come prepared with the necessary documents. Please visit our website at www.REALID.ilsos.gov and use the interactive document checklist to help ensure you bring in the right documents to the Driver Services facility. In addition, please be patient as the process takes longer at the facility due to the multiple documents required by the federal government.

Sincerely,

Jesse White
Secretary of State
